JOURNAL OF ANATOMICAL SCIENCES

INSTRUCTION TO AUTHORS

The journal publishes - 1. Full length papers, 2. Brief communications including case reports, 3. Review articles, 4. Book reviews and 5. Scientific proceedings of U.P. Chapter of the Anatomical Society of India.

The full length papers and brief communications should report original researches in the fields of Anatomy, including Gross Anatomy, Comparative Anatomy, Embryology, Histology, Histochemistry, Cytogenetics, Teratology, Reproductive Biology, Electron Microscopy and Allied Clinical Medicine.

CONDITIONS FOR SUBMISSION

The manuscripts written in British English typed in double space, on side of the paper with a wide margin around, submitted in duplicate (with two sets of illustrations), are reviewed for publication, with the explicit understanding that they are being submitted with one journal at a time and have not been published in or accepted for publication elsewhere, completely or in part. It is author's responsibility to obtain permission to reproduce illustrations, tables etc. from other publications. The accepted papers will become permanent property of the Journal of Anatomical Sciences, and may not be reproduced in whole or in part, by any means, without the written consent of both, the author's and the publisher's

The editor reserves the right to improve on the style and grammar and make corrections accordingly and, if necessary, return the manuscript for revision to the authors.

ARRANGEMENT OF THE MANUSCRIPT

The manuscript should have a uniform style and should consist of the following subdivisions, and in that order, each to begin on a separate page. Title page, Abstract and Key words, Text, References, Explanation to the figures, Tables and Illustrations.

Title Page : The first page of every manuscript should include 1. Title of the article. 2. Full Name;(s) of the author(s) 3. Institutional address of each author 4. Institution or the laboratory where the work was conducted. 5. A short running title. 6. Address for correspondence.

Abstract : Should be on the second page of each manuscript, not exceeding 300 words. The abstract should include brief introduction, objectives, main results and important conclusions.

Key Words : A list of 3-9 key words should be given below the abstract.

Text : The text of the manuscript should include, 1. Introduction, 2. Material and Methods, 3. Observations and Results, 4. Discussion, 5. Acknowledgments, if any, in that order.

References : References should be arranged according to VANCOUVER SYSTEM on the following indications.

Papers published in periodicals : 1. Each author's surname followed by initials 2. Full title of the paper 3. Abbreviation of the journal according to the style of index medicus 4. Year of Publication 5. Volume number, followed by a colon 6. First and the last page of paper. For Example **Longia, G.S., Kumar, V., and Gupta, C.D. Intra renal arterial pattern of human kidney - corrosion cast study. Ant. Anz., (1982) 166 : 183-194.** Work referred from the books : 1. Each Editor's surname followed by initials 2. Full title of book 3. Name of Chapter 4. Edition 5. Name of publisher 6. Domicile of publisher 7. Year of publication 8. Page number (a small 'p' with a full stop should be prefixed to the page number, pp with a full stop if the number of the pages are more. For example : Sinnatamby C.S. In Last's Anatomy Regional and Applied, Upper limb, 11th ed., Churchill Livingstone London (2005) p. 96.

In the text references should be made by author's surname, if there are one or two authors, followed by the year of publication in brackets, for example : Style (1966) or Longia and Kumar (1982). If there are more than two authors, mention first author's surname followed by et al. and then the year of publication in brackets, for example Singh et al. (1980). However, in the list of References names of all the authors as indicated in the para above, should be given.

Full Address : At the end of the manuscript, after the list of references, exact postal address of the

main author who will handle the reprints and the correspondence, should be given complete in all respects together with the postal PIN code. Any change in the address should be immediately communicate to the Editor.

Tables : All the tables should be referred to in the text and should be numbered in Roman numerals. Every table should be prepared on a separate sheet and should have a heading (complete and brief) and may have footnotes. The tables should be simple with as few as possible vertical and horizontal lines. Too long and exhaustive tables are not acceptable because they can not be reproduced as such.

Illustration : All the illustrations including charts and diagrams and graphs should be referred to in the text and should be numbered. Every illustration should have legend typed on a separate page. For good reproduction, while printing, only good drawings and original photographs will be accepted. Negatives or photocopies of figures and illustrations are not acceptable. A Size greater than 120 mm x 150 mm will necessitate reduction for reproduction. All the illustrations must be submitted in complete and finished form with adequate labeling. The photographs should be made on glossy papers and should be provided with the legends. The abbreviations used in each illustration should be arranged alphabetically and should be included with the respective legends. All the illustrations should have on the reverse, written with light pencil, figure number, name of author(s) and the top indicated by an arrow. While dispatching they should be well protected to avoid postal/transit damage.

Authors will have to pay for planning scanning, plate making & printing on art paper @ Rs.

500/- per Black & White, @ Rs. 1000/- per coloured photograph & @ Rs. 500/- per table, graph & drawn figures. If the total amount of the bill is less than Rs. 1000/- It will be considered rounded off to the minimum payment of Rs. 2000/-
